	Pat Hoath
	Mavis Thompson

Liz Baker resigned in December 2012.

The following has been duly nominated and elected unopposed: Andrea Gaskell (ordinary member)

The Executive Committee may co-opt further ordinary members with full voting rights to serve until the next election is held.

Proxy forms may be obtained from The Hollies (please enclose an sae with your request) and must be returned to The Honorary Secretary c/o The Lace Guild, The Hollies, 53 Audnam, Stourbridge, West Midlands DY8 4AE by no later than 2pm on Wednesday 3 April 2013.

Resolutions Proposed by the Executive Committee to be voted on at the AGM in Kidderminster on 6 April 2013

Your Executive Committee propose the introduction of the new category of Student membership which they hope will encourage students aged 16 and over to join The Lace Guild. The requirement will be that those Students are in full time education and provide evidence of this on joining the Guild and upon each renewal of membership.

The Committee propose to remove group membership (this will not affect group insurance as long as one member of the group is a member of The Lace Guild) in order to encourage individuals to join the Guild in their own right.

As the Guild now has separate subscription rates for Young Lacemakers aged under and over 18 years, the Executive Committee propose to change the wording of the relevant clause in the constitution so that those over 18 who are not teachers, but for whom membership of Young Lacemakers is appropriate, may join this section of the Guild.

You will note in the Agenda that there are proposals for two new subscription rates; firstly for electronic membership (where *Lace* is received electronically instead of in paper format) and secondly for those paying their subscription by direct debit. The Executive Committee do not believe that these two proposals require specific mention in the constitution.

The Proposals are:

1. To remove Group membership at all levels.
2. To introduce a new Student category of membership
3. To make the following changes to the Constitution:-
 - a) To replace 'Young Lacemakers club' with 'Young Lacemakers' throughout.
 - b) Section IV Membership:
 - i) To delete clause f) relating to group membership.
 - ii) To renumber current clause e) as clause f) and amend to read as follows:-
'f) Every individual, student and associate member will have one vote.'
 - iii) To insert a new clause e):-
'e) Student membership is available to those aged 16 and above who are in full time education. (Proof of eligibility will be required) Student members have limited rights which will be defined by the Executive Committee from time to time.'
 - iv) To amend clause g) to read:-
'g) Membership of the Young Lacemakers' section of The Lace Guild is available to all who are interested in lace and are under 18 years of age. Lacemakers and teachers aged 18 and over are also eligible to join Young Lacemakers on payment of the appropriate subscription. Young Lacemakers have limited rights which will be defined by the Executive Committee from time to time.'
 - v) To delete clause h) relating to group membership if the amendment to clause g) above has been adopted.
 - vi) To renumber clauses as appropriate.
