## **Dear Friends**

Every January, I run a business report that shows the level of enrolments taken so far for the whole financial year up to the end of March. This is always an interesting thing to do, especially during the period of economic difficulty.

I am sure many of you will be interested to know that, throughout the period of 'the downturn', for every one of the last seven years, my early January figures have shown significant growth, including this year. Downturn? What downturn?

If you are reading this, you are highly likely to be part of the reason for this continued long-term growth. It is YOU and YOUR visits to this splendid place that cause this growth figure to bounce off the spreadsheets! This growth and your bookings, often years into the future, represent significant business confidence and this confidence makes the future bright! It is as simple as that, so THANK YOU.

## **Refurbishment Plans**

"... every time I visit Knuston I notice some small way in which the environment has been improved, public areas decorated or new equipment purchased for us ..." Mary D. October 2013.

You will be pleased to know that, as I type this letter, there is a meeting taking place in an adjacent room to finalise plans for the refurbishment of our bedroom accommodation. By the end of February the first group of rooms will be well on their way to completion, with a complete refit, not just 'a lick of paint'. Feel free to spread this news as this is a major indicator of the sustainability of Knuston Hall reflecting plans for a healthy future.

## **One Night Residential Courses**

Recently I was at a national lace event in Solihull when I was asked the question "Do you do any courses between 'a day' and 'a weekend' because I want more than a day but a 2-night course is too much?".

For this reason, I am currently considering adding some one-night residential courses into the programme from October 2014 on a trial basis. (Note: this will not mean reducing the number of longer courses).

If a one-night course would not be for you, that is not a problem and there is no need for you to contact me. However, if you think such a course might appeal to you OR SOMEBODY YOU KNOW WHO HAS NOT BEEN TO KNUSTON BEFORE, please consider letting me know your thoughts on: a start and finish time; meals to include; free-time; days of the week etc. As telephone lines are often very busy, please use my email [eflanagan@northamptonshire.gov.uk](mailto:eflanagan@northamptonshire.gov.uk) or drop me a line in the post.

Finally, if ever you are in the vicinity, please call in and say hello or even book in for lunch, especially if you have a non-Knuston friend or relative with you. If we have room, you can book in for any meal. Just pick up the phone.

See you soon.

Best Wishes

# Enrolment & General Information

## Enrolling, Deposits and Balances

Each course booking requires a deposit of £40. Day courses and shorter events require the full fee payable on enrolment. You can enrol using telephone, email or in person. Unfortunately it is not possible to reserve a place unless the deposit is paid or is on its way in the post, in which case the place will be held for five days. Once the deposit has been paid, this is taken as confirmation that the course is booked and you will attend. A receipt and full course details will follow when they are available. The balance of the fee is due one month before the course. If we have not received the balance at this time we will contact you for payment. If the balance is not settled following a reminder, we reserve the right to offer that place to another applicant.

## Catering/Special Dietary Requirements

All meals and refreshments are included in the residential price of courses. Meals and refreshments are also included for those who choose to join a course as a non-resident with the exception of breakfast.

Whilst we cannot cater for a wide range of likes and dislikes, we can cater for vegetarian, vegan, 'no red meat' and gluten-free diets, if booked in advance. Please mention your special diet EVERY time you enrol so that records can be kept up to date. If you have any serious allergies to food types, **please** inform us when you enrol, and **remind us on arrival**.

## Arrival and Departure Times

Many courses have standard 'weekend' timings, so unless your course details state otherwise, arrival on day 1 is usually from 5.30pm in time for the meal at 7pm. We now have a lunch talk programme on specific Fridays so weekend guests can have the option of arriving early. See pages 32 and 33 for details. If there is no lunch talk, why not come for lunch anyway? Call 01933 312104 to book. On the final day of weekend courses, departure is approximately 3.30pm. However, we ask that bedrooms are vacated by 9.30am unless you are informed that this is not necessary. PLEASE read your course details carefully as day courses and longer courses have different timings.

## Cancellations, Refunds & Transfer of Fees

We suggest you take out your own insurance in case you have to cancel due to unforeseen circumstances.

**Residential Courses:** If cancellation is as a result of a medical condition for which you can provide certification, your deposit is transferable and your balance is refundable. If, however, it is not as a result of a medical condition and it is more than two weeks before the course starts, your balance is refundable and your deposit transferable apart from a £10 'admin fee'. If it is not as a result of a medical condition, and is within two weeks of the start of the course, no refund or transfer of fees is possible. A deposit can only be transferred as a deposit on a new enrolment. No fees can be transferred to another person.

**Day Courses:** More than two weeks before the course, the fees are refundable apart from a £10 admin fee. If it is not as a result of a medical condition, and is within two weeks of the start of the course, no refund or transfer of fees is possible.

**Dinner Talks, Out To Lunch Plus, B&B:** Full refund if we are informed before the event.

## Equal Opportunities Policy

Knuston Hall is committed to providing equal opportunities without discrimination for all people. We wish to ensure that each student is treated fairly and has an equal opportunity to fulfil her/his potential. When contacting the college to discuss or enrol on a course, please mention all information which may help us to provide the best possible circumstances for you. This could include issues such as any mobility difficulties, hearing or visual limitations, special learning needs or allergies. Whatever it is, we will endeavour to take all reasonable steps to help.

Gabrieli, Banchieri,

Tutor: Keith Chandler

**Standard Weekend Price: See above**

We will consider four distinctive and highly regarded novels, written within the last three decades: Marilynne Robinson 'Housekeeping' (1980), Donna Tartt 'The Secret History' (1992), Zadie Smith 'White Teeth' (2000) and Rose Tremain 'The Road Home' (2008). How are their respective stories told and how are characters brought to life? Should we judge ourselves by the view of the world(s) we apparently occupy? What can we learn about family bonds, friendship, life, love and the human condition? No previous study is necessary, rather an enjoyment of words and how they are used. You will benefit more from the course if you read the novels in advance, although extracts for analysis will be provided from these and other contemporary writers.
